## VETERANS AFFAIRS COMMUNICATION

**June 2021**

### **Three Agent Orange Presumptives Added**

Three conditions will be added to the list of those presumptively associated with exposure to Agent Orange. Those conditions are bladder cancer, hypothyroidism and Parkinsonism.

Vietnam War era Veterans and their survivors, who previously filed and were denied benefits for one of these three new presumptive conditions, will have their cases automatically reviewed without the need to refile a claim.

### **Secretary McDonough: On the Tulsa Massacre, “We Remember”**

Monday marked the 100th anniversary of the Tulsa Massacre, one of the most tragic domestic terrorism instances visited upon the Black community. In serving all Veterans at VA, we remember. The success of our department’s mission and the endurance of our nation depends on knowing, acknowledging, and learning from our history.
